<dilshad1> ooo nvm found mine

<goddessJacqui> Gah! I'm not sure if that pic will work. It has my notes on the side so the chart itself it a tad small.

<Lovin\_Life> Where did you guys go to create your charts?

<goddessJacqui> Astrodienst

<Good Vibe Coach> which is astro.com

<dilshad1> Here's my natal chart - <http://goodvibeastrology.com/upg/dilshads-natal-chart/>

<Lovin\_Life> Went there - wasn't intuitive - will look again. 😊

<Quilly22> 7th house ... self love in house of partners!

<Coach Janette> OMG - Jacqui!! - 22 Cancer is right on my 4th house cusp. RIGHT ON. lol.

*Guest 13 is on the call*

<Good Vibe Coach> Maria, let me find the link ...

<TripleF> That makes perfect sense! I was told to "rest & relax" last week.

<dilshad1> how do i locate 22 Cancer on my chart? (astro newbie here)

<Coach Janette> Guest 11, click on the links to see the specific charts

*Methinky is logged into the chat*

<dilshad1> thanks for the help in advance <3

<Coach Janette> dishad1 is your chart in the gallery? Can you post a link?

<Lovin\_Life> I believe I got the link where it creates the Natal chart - looks like I have to be a subscriber in order to download as pdf - I think.

*Guest 16 is logged into the chat*

<Coach Janette> Lovin-Life - is that Maria?

<Feline Dreamers> do the web version and you can save as image

<Lovin\_Life> YES! 😊

<dilshad1> hey @Jeannette - here it is <http://goodvibeastrology.com/upg/dilshads-natal-chart/>

<Coach Janette> dishad1 - not Jeannette, this is Janette - confusing hey? lol

<Lovin\_Life> Oooh, I think I was able to save as a gif. 😊

<dilshad1> lol sorry!

<TripleF> LOL Janette.

<Coach Janette> All good, I love being mistaken for Jeannette - very flattering heheh

<Good Vibe Coach> I feel the same way 😊

<Coach Janette> Dilshad (sorry about the previous typo in your name - blurry early morning eyes and tiny font on the chat)

<dilshad1> np!

<Lovin\_Life> Hi Janette! 😊

<dilshad1> just trying to get a feel for how to read a chart 😊

*Guest 15 has left the chat*

<Coach Janette> Dilshad, 22 Cancer is right near your 10th house cusp - area of life re life mission / career etc

<Coach Janette> See Cancer is at the top of your chart? Every sign has 30 degrees, so if you follow the circle round from early Cancer (in 9th house) to 22 deg...

<Coach Janette> .... see what I mean?

<Coach Janette> Not sure I explained that well LOL

<Coach Janette> Hi Maria!!!

## Align with the Stars January Chat

<Coach Janette> How YOU doin'?

<Coach Janette> 😊

<TripleF> Here's mine for any of the GVA experts to look at: <http://goodvibeastrology.com/upg/gjm-natal-chart/>

<dilshad1> hmm i would have thought that would be in the 9th house

<Feline Dreamers> how do I put the current Full Moon on my natal chart?

<dilshad1> but im getting it!

<Lovin\_Life> Jeannette ... I think I just uploaded the correct chart - let me know if you can see it and if that's what Kim needs for these calls.

<Coach Janette> Dilshad, your 10th house cusp is at 16 deg Cancer so 22 is firmly in the 10th.

*Guest 17 is logged into the chat*

<Good Vibe Coach> anyone know how to raise a hand here?

<SpiritedStrider> There's a Request to Talk in the upper right hand corner

<SpiritedStrider> with a green Plus sign

<Good Vibe Coach> I don't think I see it as the call runner ...

<Feline Dreamers> on the web version there is "request to Talk" in the top right (for me)

<MagicalMing> Yep i see it

<MagicalMing> that's cool

<dilshad1> okay okay i think i get it

<SpiritedStrider> In the chat box- upper right hand corner

<Good Vibe Coach> Thanks!!

<SpiritedStrider> Sure!

<TripleF> Yes there's a sign in the right-hand corner of the screen which states "Request To Talk"...for anyone who wants to chime in.

<Coach Janette> Ack, my chat seems to have frozen...

<Coach Janette> Nope, I'm here.

<Coach Janette> Sorry

<Coach Janette> LOL

<Good Vibe Coach> 😊

<Guest 13> ! I have this in the 10th - fighting with the boss!

<Lovin\_Life> Can you see my chart, Jeannette?

<etorranceingrich> And you only see it if you're dialed in. If you're streaming/chat only, you won't see the hand

<Coach Janette> Maria, where's the link?

<Guest 12> oh man - pool man just arrived. hooray for having the call recorded!

<Coach Janette> Oh, there's your chart Maria!! Yay!!

<Coach Janette> Sagittarius rising - why am I not surprised???? Heheh

<SpiritedStrider> I've been away so long here I forgot a lot!

<Lovin\_Life> Noticed every one just gave it the name of the first name - guess I should do that too.

*Guest 17 has left the chat*

<Lovin\_Life> HA HA ... yes, sag rising doesn't surprise me either.

<SpiritedStrider> LOL

<Good Vibe Coach> Ming, your full moon s is happening in your 10th house.

<dilshad1> does anyone know where the intro to astro charts is at? I know Kim did a series of them. (PS: Janette I have no idea how you knew my 10th house lol)

<Lovin\_Life> Do you have to create a separate login for GoodVibeAstrology or is it the same login for GUV????

<Guest 13> Do you have the questions from the email for scorpio moon?

*Guest 16 has left the chat*

<Coach Janette> Dishlad LOL - see how the chart is divided into 'pie pieces'? Each one represents a house - numbered in the centre of the circle.

<dilshad1> right i got that

<dilshad1> howd you get the degrees?

<SpiritedStrider> I'd love to have mine read! (as would many, I'm sure)

<Coach Janette> And I know cuz I know, that the cusp is the doorway from the previous house - so the doorway from 9 to 10 is at 16 deg

<TripleF> Lovin\_Life you need to create an account with GVA.

<Feline Dreamers> I'm both too 😊 Thanks!

<Guest 13> Maybe full moon isn't a good time to discuss the household budget 😊

<Coach Janette> (They also tell you in the table to the left of the pie chart - MC is 10th house)
