<Coach Janette> Guillaume, people do it in a deeply misguided and flawed attempt to inspire and motivate.

<Coach Janette> It's crap but at heart it usually comes from a place of seeing your potential and being frustrated that THEY think you don't

<Coach Janette> Even if they don't know that's where it's coming from

<TripleF> I don't believe in working for money! Soooooooo old-school 😊

<Jobblogs> Great way to put it Janette
<Jobblogs> It's ok - do Lyerka
<Coach Janette> Maybe it's the misguided pivot? Pivoting in order to avoid
<Jobblogs> I can try to nut it out from what's been said 😊
<Good Vibe Coach> right, Janette!!!
<Coach Janette> Rather than pivoting AFTER the experience has had all the juice extracted
<Coach Janette> 😊
<Good Vibe Coach> well said! a powerful concept to embrace, too
<Coach Janette> Amen!!
