<KimFalconer> Hi Guillaume. Great to see you up at the witching hour.

<KimFalconer> If you have a question, we can start with you.

<TripleF> Hi Kim. Oh! I haven't got a question yet. Hmm!

<KimFalconer> Maybe if you tried the 'notice it' experiment? I want to show some examples of that to start 😊

<KimFalconer> Did you try it on feeling 'trapped'? No worries if you haven't gotten to that yet!

<TripleF> Yes I did do the experiment since call #2.

<KimFalconer> I do have some examples, so no pressure!

<KimFalconer> We can look at that then.

<TripleF> Well put it this way I've been feeling trapped all of my life...probably since I was a child.

<KimFalconer> Okay, we'll take that example then, if that's all right with you.

<scoburn> Alot of emotional for me with eclipse

<TripleF> Kim, it is you with the background noise. Your voice is echoing.

*Good Vibe Coach has hung up*

<Good Vibe Coach> still an echo?

<Good Vibe Coach> so it's not me

<Good Vibe Coach> brb

<TripleF> I don't hear the echo at all now.
