<KimFalconer> Hey everyone! I'll be dialing in shortly 😊

<FredH> So define W Maryland please. I'm in what is lovingly called Southern Maryland

<TripleF> Hi Kim 😊

<TripleF> I assume it's West Maryland.

<FredH> That is still a relative term

<FredH> There is a skinny part of Maryland that stretches out to the Blue Ridge Mountains

<KimFalconer> I never new Maryland had so many parts!

<FredH> It's oddly shaped

<FredH> Two straight lines and a lot of squiglies

<TripleF> 😊

<Coach Janette> 😊

<TripleF> Funny about the talk about Mars & Venus I've watched some of American Pie: Book of Love (recorded). Will watch the rest later! 😊

<TripleF> Reading this on the GVA site already.

<devaline> 2 and 4

<Coach Janette> My averages - Mars 3 Venus 4 - more balanced than it would have been 10 or even 5 years ago!

<Coach Janette> Woohoo!!!

<devaline> lost last question

<Coach Janette> I have Mars in Libra and Venus in Scorpio. DING DING DING! lol

<TripleF> Janette are you looking at your Natal-Chart or a chart in relation to this topic?

<Coach Janette> Guillaume - natal chart. Mars in Libra, Venus in Scorp.

<Coach Janette> Hang on, I'll get a link

<TripleF> Brilliant! That means I need to look at my Natal Chart.

<TripleF> Mars was the Roman God of War...makes sense.
<devaline> HI... TELLING ME MY ACCOUNT HAS EXPIRED ON GVA
<FredH> Mine as well now - It wasn't an issue earlier today
<Coach Janette> Fred and Marilyn - I had the same issues - Kim fixed it for me. She'll be able to fix it for you
<FredH> I'm sure - not worth interrupting the recording
<TripleF> I have both Mars/Venus in my 8th house with Mars in Gemini & Venus in Cancer (Natal Chart).
<KimFalconer> try now, Fred 😊
<KimFalconer> okay, try now I mean
<FredH> Still showing account status as expired
<KimFalconer> now ?
<FredH> Still not happy
<FredH> You can ply with it later
<devaline> MINE TOO KIM
<Coach Janette> Fred - logout then log back in, that helped for me.
<devaline> THANKS
<devaline> ALL COOL
<TripleF> I relation to what I stated about Mars/Venus in my chart my father is a Gemini & my Paternal Grandfather was a Cancer & I'm a Leo.
<devaline> yes
<KimFalconer> Marilyn, yours is fixed now too. Log out and in
<FredH> Killed the IE windows and started a Firefox session Still shows expiration as November 12, 2017
<TripleF> FredH, problem with Firefox it has been getting slow & having problems. Would advise not to use; Google Chrome would be better.
<devaline> COOL
<devaline> GREAT CALL KIM
<FredH> Got them all just wanted to bypass cached information without blowing myself out of Talkshoe
<devaline> GREAT THOUGHT
<devaline> And where more meets Venus and Mars... than in Sex, desire and pleasure. My currently Tantric Coaching training 😊:)
<devaline> ha ha ha
<devaline> trying
<Coach Janette> Mine too Kim LOL
<Coach Janette> Hubby home today. And now I have to change my schedule.... *sulk Bahahahahah!!!

<devaline> mmmmm
<TripleF> LOL FredH.
<devaline> yes
<Coach Janette> 😊
<devaline> venus in cancer
<devaline> frustration

<FredH> How did you know?

<devaline> feeling empty

<Coach Janette> <http://goodvibeastrology.com/upg/janettes-natal-chart/>

<TripleF> <http://goodvibeastrology.com/upg/gjm-natal-chart-wlines/>

<devaline> not so much recently

<devaline> mixing with all these Tantra girls... opening myself to a lot more of the spectrum

<devaline> of venus and mars

<devaline> and our social conditioning

<devaline> and ancestral wounding

<TripleF> I used to do Martial Arts (Karate) years ago when I was a child.

<devaline> if Mars isn't fully expressed... it manifests in a distorted way

<devaline> if Mars is not expressed fully... acts out in a distorted way
